

soft g

g

NAME: _____

Most often, but not always, when **g** is followed by **e**, **i** or **y**, it makes the soft sound of **g**, /j/ as in **giraffe**. Draw a line from the word to the **gem** if it makes the soft sound of **g**.

giraffe

giant

huge

goat

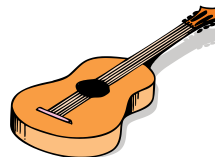

gem

ginger

gymnast

guitar

Cross out the word in each row, which has the hard sound of **g**.
