## Modeling: 3-5 minutes

- Show the students a picture card that starts with the **Yy** sound.
  - Teacher: “/y/ /y/ yo-yo”. Since the word begins with the /y/ sound, yell.

- Show the students a picture card that doesn't start with the **Yy** sound.
  - Teacher: “/y/ /y/ zebra”. Since the word doesn't begin with the /y/ sound, whisper.

### **Guided Practice:** 5 minutes

- Continue the activity from above using the picture cards for yo-yo, yak, yacht, zebra and any other previously taught cards.
  - Teacher says the /y/ sound, followed by the word from the picture card. If the word begins with the /y/ sound, teacher and students yell. If not, they whisper.

### **Independent Practice:** 5-10 minutes

- Spread all the picture cards out (yo-yo, yak, yacht, zebra and any other previously taught cards) on the floor.
- Play Flyswatter Game.
  - Give two students a flyswatter.
  - The students walk around the pictures that are placed on the floor with the flyswatter behind their backs. Make sure they are not walking on the cards, but around them in a circle.
  - Teacher calls out one of the words from the picture cards on the floor. The students search for the card and then hit it with their flyswatter, saying the word as they do.
  - Give the flyswatters to two new students and start again.
- Continue play until all the cards have been swatted or all the students have had a turn.

### **Assessment:**

- During the guided and independent practice, take note of students' ability to match the /y/ sound to the various picture cards.

- Review each picture card.
  - Teacher: “/y/ /y/ yo-yo”; students repeat
  - Teacher: “/y/ /y/ yak”; students repeat
